1. 八字命盘 | BaZi Chart

Four Pillars structure and reading fields

Four Pillars

Year	甲 Jia	戌 Xu	Wood/Earth
Month	丙 Bing	寅 Yin	Fire/Wood
Day	壬 Ren	申 Shen	Water/Metal
Hour	庚 Geng	子 Zi	Metal/Water

壬水

Day Master

Often reads situations through timing, observation, and adaptive strategy.

Reading Map

Self structure	core temperament and decision rhythm	
Career signal	work mode, authority fit, growth pattern	
Wealth star	earning behavior and money friction	
Relationship field	attachment rhythm and partner fit	

Previewed Insight

The visible sample keeps only the method layer. The paid report expands this into a tailored interpretation and action plan.

Birth data normalized

Private notes masked

Human review before delivery

2. 五行能量 | Five Elements

Balance profile and behavioral implications

Element Strength

水

Dominant Tone

A strong Water-Metal profile may favor analysis, reflection, pattern recognition, and strategic patience.

What the Full Report Adds

The complete report translates elemental balance into work style, communication pattern, pressure recovery, and practical weekly routines.

Design note

The report avoids absolute predictions and frames insights as self-reflection.

3. 十神关系 | Motivation Map

Career drive, wealth habits, relationship pattern, and stress source

Pattern Matrix

Symbol	Meaning	Signal	Private note
正官	Structure	career field	[REDACTED]
偏财	Opportunity	active but uneven	[REDACTED]
食神	Expression	needs outlet	[REDACTED]
七杀	Pressure	boundaries	[REDACTED]

Career Question

Which environment lets you perform without creating repeated pressure cycles?

Wealth Question

Which earning habits are stabilizing, and which ones become reactive under stress?

Masked Example

The paid version includes specific behavioral interpretations and recommended focus areas. Highest-value details are hidden here.

4. Career & Wealth Direction

Professional rhythm and money behavior summary

Career Fit

Best-fit environments emphasize autonomy, problem solving, strategic ownership, and visible expertise.

Wealth Habits

Structured earning is favored before high-volatility risk taking or emotionally driven commitments.

Action Direction

Build one visible expertise lane instead of switching directions too quickly. Use monthly review cycles to avoid reactive career moves.

Paid Report Expansion

Industry fit, work mode, authority relationship, earning style, and a 12-month career timing plan.

5. Love & Relationship Pattern

Attachment rhythm, communication style, and partner fit

Relationship Lens

The chart suggests a pattern of needing both emotional space and reliable commitment signals.

Likely Strength

Loyal once trust is established; observes relational details others miss.

Repeated Friction

May withdraw during pressure and overthink unsaid signals.

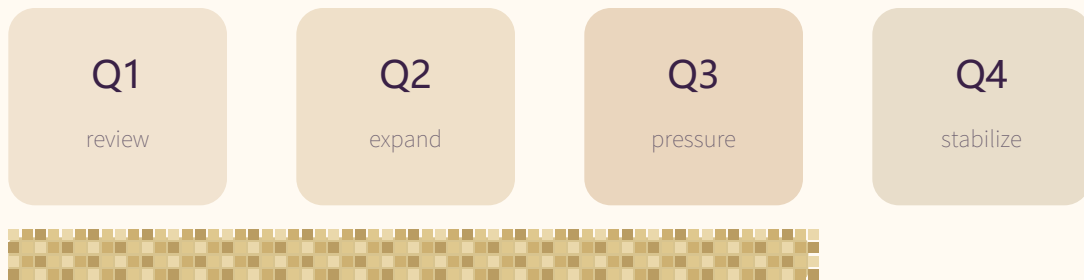

Practical Framing

This section is written as self-reflection and communication guidance, not as a promise of relationship outcome.

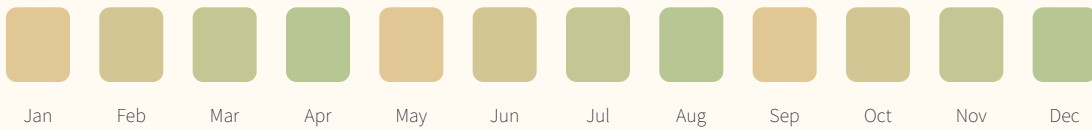

6. 流年运势 | 12-Month Map

Annual rhythm with selected details masked

Quarterly Timing View

Month-by-Month Detail

The complete report explains career, wealth habits, relationship tone, and pressure points for each month.

Important boundary

Timing is presented as planning guidance, not exact prediction.

7. Personal Action Plan

Practical 3-6-12 month direction

Executive Direction

Reduce scattered commitments. Build one clear professional signal and track weekly energy patterns.

0-3 Months

Focus attention, remove low-return obligations, and define one measurable outcome.

3-6 Months

Turn skill into visible proof: portfolio, offer, proposal, or project result.

6-12 Months

Use timing windows to decide when to push, pause, or consolidate.

What Is Hidden in This Preview

Specific timing windows, personalized cautions, priority actions, and client-sensitive conclusions are masked.
